PRESIDENT MESSAGE

The FFA is a very strong organization dedicated to nostalgia, based on our fond, valuable memories of the past. For this reason, our functions continue to be successful. As a non-profit entity the FFA enjoys a success so unique that we are one-of-a-kind. But, in reality, our success is dependent upon you, your attitude and your support, so, we ask that you make an honest effort to attend at least one of our many functions.

Although we work on the smallest profit margin possible in order to bring you the highest quality affair we can at the lowest cost. Whatever profit we make, if any, goes into the treasury to be used to preparing, printing, and mailing of our newsletter to you. Once these funds are depleted, the newsletter will cease and so will the organization, the affairs we run are a means to produce the revenue to bring you the newsletter, and we look for your attendance at these functions to make this possible.

We appreciate those of you who responded to our last affair and we are in the process of many in the future, Example: A Jazz Brunch on June 11, 2006 (Flyer Enclosed) A Mah Jongg Tournament on September 14, 2006, and February 27, 2007 a reunion brunch in Davies, FL. Let's make these events a super success.

EDITORIAL

TO A KEEPER

One day someone's husband died, and on that clear, cold morning, in the warmth of the bedroom, the wife was struck with the pain of learning that sometimes there isn't any more,
No more hugs, no more special moments to celebrate together no more phone calls just to chat, no more "just a minute." Sometimes, what we care about the most gets all used up and goes away... never to return before we can say goodbye, say "I love you."

So while we have it . . . it's best we love it . . . and care for it. and fix it when it's broken . . . and heal it when it's sick. This is true for marriage . . . and old cars . . . and children with bad report cards and dogs with bad hips and aging parents and grandparents. We keep them because they are worth it, because we are worth it.

Some things we keep . . . like a best friend who moved away or a classmate we grew up with. There are just some things that make us happy, no matter what.

Life is important, like people we know who are special . . . and so, we keep them close!

Thank you for being a special part of my life.

IN MEMORY OF

In loving memory of Ernie & Arlene Mills.

GREAT TRUTHS ABOUT GETTING OLD

- 1) *Growing up is mandatory: growing old is optional.*
- 2) *Forget the health food. I need all the preservatives I can get.*
- 3) *When you fall down, you wonder what else you can do while you're down there.*
- 4) *You're getting old when you get the same sensation from a rocking chair that you once got from the roller coaster.*
- 5) *It's frustrating when you know all the answers but nobody bothers to ask you the questions.*
- 6) *Time may be a great healer, but it's a lousy beautician.*
- 7) *Wisdom comes with age, but sometimes age comes along.*

SUCCESS:

*At age 4 success is: not peeing in your pants.
At age 12 success is: having friends.
At age 16 success is: having a driver's license.
At age 35 success is: having money
At age 50 success is: having money.
At age 70 success is: having a driver's license.
At age 75 success is: having friends.
At age 80 success is: not peeing in your pants.*

*Always remember to forget the troubles that pass your way. BUT NEVER forget the blessings that come each day.
Have a wonderful day with many *s! miles**
